

# MD iMap Portal / Twitter Updates

Here are some ideas for regular updates to the MD iMap Portal/Twitter

## **THINGS WE CAN REPORT ON**

- New services and data added
- Data updates
- New application launches
- The upcoming Gazetteer Service Update
- System Maintenance Windows
  - Monthly messages from the GIO

## **PROCESSES WE CAN PREPARE FOR INPUT**

- Current configuration of the system
- Data submission notices (metadata requirements, etc.)
- How to...or Did you know...
- Solicit feedback mechanism for users to interact with the iMap managers

## **ANYTHING ELSE WE CAN THINK OF**

- Upcoming meetings
- Outcomes from MD iMap subcommittee meetings
- Any major technical committee approvals (for example: send out a tweet when all charters have been approved)
